

Tasmanian devil printable 3D puppet

Step 1. Print out the template onto the back of recycled paper.

Step 2. Cut around the image where the blue line indicates.

Step 3. Colour in your Tasmanian devil any colour you like.

Step 4. Fold on the lines highlighted in yellow.

Step 5. Connect the ears by taping them together.

Step 6. Connect the bottom jaw with some tape as well to create pocket at the back for your fingers.
