

Ho Ho Ho!

Thank you for writing to me and dropping off your letter at Melbourne Zoo!

The elves and I are busy in the North Pole making toys, wrapping gifts, and preparing for our big journey around the world. It's chilly here, but the reindeer don't mind!

I hear Melbourne Zoo is full of amazing animals like lions, Kangaroo Island Kangaroos, Western Lowland Gorillas and even playful meerkats! I hope you enjoyed visiting and learning about them. Remember to always be kind to animals—they are such an important part of our world.

I've checked my Nice List, and I'm happy to say you're on it! Keep up the great work by being kind, helpful, and full of Christmas spirit.

Now, I'll be delivering your letter safely to my workshop so the elves and I can get to work. Keep an eye out for me on Christmas Eve—I'll be flying over Melbourne with a big "Ho Ho Ho!" and a sleigh full of surprises!

Merry Christmas,

Santa Claus

P.S. Make sure to leave some carrots for the reindeer and a treat for me.
I love cookies!
